(University of British Columbia & Ryerson University)
UBC and Ryerson University residences provide superb on-campus accommodations for students who want to experience the Canadian university lifestyle. Students have a private or twin room with shared washroom facilities located on each floor. A Eurocentres Canada staff member lives with the students in the residence to ensure that they have 24-hour supervision. Three well-balanced meals (bag lunch) are provided daily through the university's catering service.

Our on-staff Accommodations Coordinators carefully select all host families. The program is carefully monitored to guarantee that students have positive homestay experiences with excellent Canadian families.
