Premier Course Information

Course Components

General English Lessons (20 per week)

Each language course is based on the Basic (Core Program) Course of 20 morning lessons per week. The Basic (Core Program) Course develops all aspects of your language competence in a personalized program coordinated by your core teacher. Courses integrate grammatical structures and functions, guided conversations, pronunciation, speaking, listening, reading, writing, and vocabulary in order to advance your communicative competency in all areas, and to ensure a balance of fluency and accuracy.

Elective Lessons (5 or 10 per week)

For afternoon classes, students have a choice of taking TOEFL, TOEIC, Cambridge, IELTS, Academic Writing and Speaking or General English (Language Activation) for either 5 lessons per week (Intensive), or 10 lessons per week (Super-Intensive).

Private Lessons (2 or 3 per week)

Private Lessons focus on specific student requests; grammar practice, reading, writing, speaking and listening or vocabulary instruction.

One-on-One Feedback Sessions

Students receive individual one-on-one feedback sessions every Friday, where they receive information on their strengths and growth areas, as well as suggestions for self-study.

Study Club Lessons (2-3 per week)

Conversation, group work and grammar/vocabulary/pronunciation practice with a teacher is the primary focus of the Study Club.

Learning Centre and Self-Study (5 hours per week)

The Learning Centre provides students with resources such as grammar and vocabulary books which they may borrow from our library. Students have the opportunity to work independently or in groups to fine tune their English skills and to practice their language skills using our CALL program.
